RESUME

ABOUT

Renowned for my exceptional attention to detail, I am a results-driven Motion Designer with over a decade of experience shaping compelling visual narratives across diverse media platforms. With a robust background that includes contributing to Emmy-winning shows, movies, and music videos, as well as six-plus years specializing in motion graphics for the gaming industry, I bring a wealth of expertise to the table.

EDUCATION

Bachelor of Fine Arts:
Graphic & Interactive Communication
Ringling School of Art and Design
Sarasota, FL (2007)

AWARDS

BEST OF RINGLING

(A professionally judged art show presenting the best student artwork)
Design for How It Works Website (2006)
